- Amendments filed 24-hours prior to the markup will be given priority consideration at the markup.
- The Chairman may refuse a unanimous consent request to consider the amendment as read if it is not filed and in compliance to the 24-hour prior deadline.
- Amendments filed after the deadline may not be distributed to Members until the start of the markup.
- Amendments drafted and offered after the commencement of the markup may necessitate the Chair recessing the markup to enable Committee staff to copy and distribute such amendments.
- All amendments must be in writing.
