

Brandon Carson is a graduate of the University of Pittsburgh and is currently the Director of Planning and Community Development at the Southern Alleghenies Planning and Development Commission (SAP&DC). Since starting his career at Southern Alleghenies in 2006, Brandon has had the opportunity to work on a wide variety of community and economic initiatives. In his current role, Brandon works with his team to provide project and funding development assistance in the areas of grant writing, transportation planning, telecommunications, and the advancement of other infrastructure initiatives. In addition to serving as a liaison to a number of state and federal agencies, Brandon collaborates with an array of stakeholders in the region to foster and coordinate the implementation of key economic development projects.
