Laurel Walk is the Chief Lending Officer at Colorado Lending Source. With 16 years of industry experience, she has been with the organization since 2008 and leads the production, closing, portfolio management and direct lending teams.

Laurel is an avid supporter of the organization's mission to foster economic development in Colorado and her impact on helping small businesses grow and prosper has been far reaching. Specifically, Laurel has assisted in the approval of over 1,500 SBA 504 loans, which created nearly 11,000 jobs and injected over \$2 billion into the economy. Prior to joining Colorado Lending Source, Laurel worked with a nationwide SBA lender.

Throughout Laurel's tenure at Colorado Lending Source, she has played an active role in leading the organization's legislative efforts, advocating for SBA lending on behalf of the entire small business community by organizing annual legislative trips to Washington D.C. and local visits with small business owners. Additionally, she lobbied for important legislation around creating a refinance option for the SBA 504 loan program and sat on NAGGL's 504 Committee.

Outside of Colorado Lending Source, Laurel has been an active member of the Junior League of Denver for over ten years serving on the Board of Directors as Treasurer, VP of Finance, and President of the Foundation. She's also an alumni of the Metro Denver Chamber's leadership program, Colorado Civic DNA, and graduated from the University of Colorado. Laurel currently lives in Denver with her husband, two sons, and dog Winnie and enjoys running, cycling, and taking advantage of everything that Colorado has to offer.
