AMENDMENT TO H.R. 1806
OFFERED BY MR. LIPINSKI OF ILLINOIS

Redesignate sections 509 and 510 as sections 510 and 511, respectively.

After section 508, insert the following new section:

SEC. 509. DOMESTIC MANUFACTURING.

Not later than 1 year after the date of enactment of this Act, the Secretary shall transmit to the Committee on Science, Space, and Technology of the House of Representatives and the Committee on Energy and Natural Resources of the Senate a report on—

(1) the current ability of domestic manufacturers to meet the procurement requirements for major ongoing projects funded by the Office of Science of the Department, including a calculation of the percentage of equipment acquired from domestic manufacturers for this purpose; and

(2) steps that can be taken by the Federal Government and by private industry to increase the capability of domestic manufacturers to meet procure-
ment requirements for the Office of Science of the Department for major projects.
