

## Truth in Testimony Disclosure Form

In accordance with Rule XI, clause 2(g)(5)\*, of the *Rules of the House of Representatives*, witnesses are asked to disclose the following information. Please complete this form electronically by filling in the provided blanks.

Committee: Science, Space, and Technology ▼

Subcommittee: Energy ▼

Hearing Date: March 7, 2019

Hearing Title ▼

The Energy Water Nexus: Drier Watts and Cheaper Drops

Witness Name: Michael E. Webber

Position/Title: Chief Science & Technology Officer (ENGIE) and Professor (UT Austin)

Witness Type:  Governmental  Non-governmental

Are you representing yourself or an organization?  Self  Organization

If you are representing an organization, please list what entity or entities you are representing:

**If you are a non-governmental witness, please list any federal grants, cooperative agreements, or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you or the organization(s) you represent at this hearing received in the current calendar year and previous two calendar years. Include the source and amount of each grant, cooperative agreement, or contract. If necessary, attach additional sheet(s) to provide more information.**

**My research group at the University of Texas received two grants from Idaho National Lab related to grid resilience and integration of nuclear power and renewables (\$100,000 and \$70,000).**

**If you are a non-governmental witness, please list any contracts or payments originating with a foreign government and related to the hearing's subject matter that you or the organization(s) you represent at this hearing received in the current year and previous two calendar years. Include the amount and country of origin of each contract or payment. If necessary, attach additional sheet(s) to provide more information.**

**My group at UT Austin has not received any contracts or payments originating with a foreign government. ENGIE is an energy and infrastructure services firm headquartered in Paris that builds and operates and power plants, desalination plants, and networks around the world. However, none of its contracts are specific to the topic of this hearing.**

**False Statements Certification**

Knowingly providing material false information to this committee/subcommittee, or knowingly concealing material information from this committee/subcommittee, is a crime (18 U.S.C. § 1001). This form will be made part of the hearing record.

**If you are a non-governmental witness, please ensure that you attach the following documents to this disclosure. Check both boxes to acknowledge that you have done so.**

- Written statement of proposed testimony
- Curriculum vitae

Rule III of the Rules of the Committee on Science, Space, and Technology provides:

(5) In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of any Federal grants, cooperative agreements, or contracts, or contracts or payments originating with a foreign government, received during the current calendar year or either of the two previous calendar years by the witness or by an entity represented by the witness and related to the subject matter of the hearing. The disclosure shall include the amount and source of each Federal grant (or subgrant thereof), cooperative agreement, or contract (or subcontract thereof) related to the subject matter of the hearing; and the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government. Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form not later than one day after the witness appears.
