

1 “(b) CONSIDERATIONS.—In determining whether a
2 technology, or level of emission reduction, is adequately
3 demonstrated, achievable, or achieved in practice, as de-
4 scribed in subsection (a), the Administrator of the Envi-
5 ronmental Protection Agency shall consider—

6 “(1) the technical feasibility of, and the level of
7 emission reductions achievable by, the technology;
8 and

9 “(2) the total direct costs incurred by the facil-
10 ity involved to demonstrate the technology, or level
11 of emission reduction, including the expenditure of
12 funds received for the demonstration under this
13 Act.”.
