

Department of Veterans Affairs

Senior Executive Biography

Paul Brubaker

Acting Principal Deputy Assistant Secretary (PDAS) for Information and Technology and Deputy Chief Information Officer

As the Acting Principal Deputy Assistant Secretary (PDAS) for Information and Technology and Deputy Chief Information Officer, Mr. Paul Brubaker oversees the planning and operations of the \$4B, 8,000-employee strong, Office of Information and Technology (OIT) at the U.S. Department of Veterans Affairs (VA). He previously served as the Deputy Chief Information Officer (AMO) of the Account Management Office (AMO) and the Development, Security, and Operations (DevSecOps) Transformation Executive for OIT.

Prior to joining VA, Mr. Brubaker led the Alliance for Transportation Innovation, advocating for policies and programs to dramatically improve the safe, efficient, and sustainable movement of people and goods. He also served as Chairman of the Board of the Virginia Center for Innovative Technology (CIT) and as Administrator of the Research and Innovative Technology Administration (RITA) at the U.S. Department of Transportation (USDOT) under President George W. Bush.

Mr. Brubaker's industry experience includes executive positions at Cisco Systems, SI International, and Litton PRC. He also served across the Federal government in positions at the Department of Defense (DOD), Department of Transportation (USDOT), U.S. Senate Subcommittee on Oversight, and for the U.S. Government Accountability Office (US GAO).
