## CURRENT ROLE

Serves as the Director for Veteran, Guard, and Reserve Affairs on the Military Officers Association of America's government relations team to support their policy agenda for the military, veterans, and their families.

## SUMMARY

Proven advocate and military leader with experience ranging from ground combat to military and veterans policy. Able to quickly adapt to an ever-changing environment and excels at making quick decisions in high stress environments. Adept at planning and executing complex projects with operational, personnel, and financial constraints.

## EXPERIENCE & ACCOMPLISHMENTS

### Military Officers Association of America (MOAA)

#### **Director of Veterans' Benefits & Reserve Affairs    SEP 2019-Current**

- Advocated for official recognition of Vietnam veterans harmed by Agent Orange resulting in legislation that provided \$8 billion in additional care and benefits.
- Organized MOAA's annual fly-in of advocates from all 50 states to help advocate for our association's key legislative goals and swiftly reorganized the event to an all virtual medium.

### U.S. Army

#### **Division Manager, Ft. Detrick, MD    JUL 2015-OCT 2017**

- Trained and managed the administration for 75 employees who were responsible for providing strategic satellite communications worldwide
- Created and executed quarterly training plans that met national, regional, and local requirements - the division was consistently one of the top of ten divisions at achieving the training standards within the organization

#### **Operations Officer, Ft. Knox, KY    NOV 2013-DEC 2014**

- Planned and executed the merger of two, hundred-person organizations into our own division, reducing redundancies and realigning the organizations to increase output
- Created and executed quarterly training plans for 200 employees

#### **Department Manager, Ft. Knox, KY    DEC 2012-OCT 2013**

- Trained and led a team of 16 reconnaissance specialists to deploy to Afghanistan
- Partnered with Afghan elected officials, police, army, and prison officials to provide training on essential skills to ensure long-term success of their nation
