

Dr. Ron Piniecki (PIN-ECK-EE), Co-Founder and Medical Director, Wellbridge Surgical. Dr. Piniecki graduated from Indiana University Medical School and practices anesthesiology in Indianapolis. He left his position with a hospital in part due to a lack of transparency and then co-founded Wellbridge Surgical, an outpatient surgery center that provides transparent, fixed, up-front pricing on its website. He can speak to ways transparent pricing can help ensure access to health care services and save money for patients and employers.
